

Call for Startups in North Macedonia for a Promising Acceleration Program!

Bridge to Balkans is coming to Skopje! mk

Calling all university students, aspiring entrepreneurs, young innovators, and early-stage startup founders!

The **Bridge to Balkans (B2B) Startup Acceleration Program**, initiated by Dijitalpark Teknokent, is bringing together the next generation of entrepreneurs from across the Balkans.

Whether you're developing an innovative idea or building your own startup, this is your opportunity to strengthen your entrepreneurial skills, receive expert mentoring, and connect with a regional innovation ecosystem.

Skopje, North Macedonia

November 2 | Startup Bootcamp

Join an interactive learning experience designed to help you:

- ✓ Develop your entrepreneurial mindset
- ✓ Identify real market problems and validate solutions
- ✓ Build a sustainable business model and business plan
- ✓ Develop your MVP and product strategy
- ✓ Create a compelling pitch deck
- ✓ Improve your pitching and investor presentation skills

Two-Week Startup Development & Mentoring

Following the Bootcamp, participating startups will have two weeks to improve their business plans and pitch decks, supported by online mentoring and expert feedback.

November 16 | Regional Demo Day – Skopje

Present your startup, showcase your progress, and compete for a place in the international final!

December 11 | B2B Grand Final Demo Day – Skopje

The most promising startups selected from the Regional Demo Days across **Skopje, Prishtina, Prizren, and Tirana** will come together in Skopje to compete at the **Bridge to Balkans Grand Final Demo Day**.

 **Four cities. One regional startup ecosystem. One grand final.**

This is more than a startup competition. It's an opportunity to transform your ideas into real ventures, expand your network beyond borders, and become part of the growing Balkan entrepreneurship ecosystem.

🌟 **Your startup journey could begin here — and take you all the way to the Grand Final!**
